Areas of interest (please check all that apply):

Pet fairs / Adoptions – volunteers needed to participate in adoption events (please check schedule for exact dates & times). Part-time help is welcome. Volunteers are needed to set-up & maintain cages, provide attention to the animals, offer assistance to foster home adopters and clean-up at event end. Volunteers and foster homes learn to screen for potential homes and new foster housing.

Foster care – Provide temporary housing for animals awaiting adoption. We need homes for healthy animals who just need a temporary place to stay where they will be cared for and loved as well as special needs animals (such as sick or injured animals or bottle-fed kittens). Foster homes may choose to foster only healthy, ready-to-adopt animals or may choose to be trained to care for special need animals.
Able to foster: Dogs Puppies Cats Kittens

Fund raising – work with other volunteers to raise cash donations, supplies, etc. Plan events and sales ideas to raise much needed money for veterinary bills & animal care.

Newsletter/Graphics – work with other volunteers in creating & publication of newsletter, brochures and flyers for special events.

Transportation – Animal transport to/from veterinarians, foster homes, pet fairs, etc. Hauling pet food and other supplies from donation centers (truck or large van required).

CARE (Companion Animal Rescue Effort) does not assume liability for any injuries or expenses that may be incurred by the volunteer, visitor or family whether caused by an animal or other source. By signing this agreement, the volunteer agrees to this condition and will not hold CARE, or any volunteers, supporters or animals in our care liable.

I have read and agree to all conditions stated in this document.
